Brooding Horizons

Kind regards
Cathryn Jones
RE Co-ordinator.

I hope you don't mind me writing to you. You have come to my attention due to Mr Buckley who has been a parent of our school for many years. His wife, Sally, also works at Redwood and they have both kindly offered their services for free after school/work to help create a reflection zone which we are making during our spirituality week "Mighty Me Week" in June. This week is all about celebrating our story - the children and staffs gifts and talents - and remembering those who have been before us and the hope for the children as they continue on their way with their hopes and dreams.

The reflection zone will be a space outside which will have a pathway made of stones signed and decorated by every child in school. We are creating "peace poles" and will hopefully have a reflective statue and seating for those children who wish to ponder and have a quiet thought at playtime or lunch time. We obviously appreciate all the time and effort in advance that Sally and Mr Buckley will put in. It is parents like this that again encapsulate the spirit of Mighty Me Week.

We were wondering however, if you would like to participate and possibly give a small donation towards our project. We are looking for local community businesses to "sponsor" the event. In return we would obviously write to all our parents making sure they and the children knew of the involvement and how thankful we were. If you feel you could be part of our special week in some way - we would be most grateful. If you require any further information - please do not hesitate to ask.

5th May 2016

Dear all at GMB,

Waddington Redwood Primary School

Redwood Drive, Bram Road, Waddington, Lincoln LN5 9BN
